

## **Winter Festivus 2025**

### **BREYER/HARTLAND/OTHER BRANDS DIVISION (All Scales)**

BREYER/HARTLAND/OTHER BRANDS OPEN HALTER CLASSES - Open to all makes, run numbers, event releases, Club releases, OAK models, and scales of plastic model horses (Breyer, Copperfox, Hartland, etc) except Peter Stone Models, which will have its own division.

PLEASE PROVIDE 1 CARD PER HORSE: All realistic colored horses will show on one table at one time and be judged on breed standards. (limit of 3 entries per class). An additional two (2) models maybe entered with an additional buy in of 1.00 per model. Please provide a 3X5 index card - no substitutions - write a large "B" next to the class number.

This division is open to all plastics (except Stone) regardless of run size and rarity. It is strongly suggested that you prepare a separate card with collectability information and information regarding breed standards if the breed is unusual as well as model rarity, etc. Non-realistic and vintage horses should be shown in the COLLECTIBILITY division where yellow cards will be awarded to the top two places. PLEASE PROVIDE 1 CARD PER HORSE: All collectability horses will show on one table at one time and be judged on collectability (rarity, finish, etc.). Realistic colored models competing for Yellow NAN Cards in collectability should be shown in the collectability class at the end of their appropriate breed section. This means that any realistic model can be shown in one breed class and one collectability class. For unrealistic models, it is up to the shower to decide which collectability class is the best fit for their model (breed vs body-type). Any questions? Please ask the show holder or the division judge.

Note on Judging. For Breyer/Other Division, two judges will be splitting this division by sections as to process the class list in a timely manner.

### **BREYER/OTHER DRAFT SECTION:**

- 101 Clydesdale / Shire
- 102 Belgians / Percherons
- 103 Other UK & European Heavy Draft Breeds (Suffolk, Brabant, Italian Heavy, etc.)

**Section championship: Medallions All Other**

### **DIVISION CHAMPIONSHIP: MEDALLIONS**

#### **New for 2025 PERFORMANCE!**

Open to all scales and finishes. PLEASE PROVIDE 1 CARD PER ENTRY. Model name and entrant name on the downside of the card.

#### **Performance Set-Up Size Limits:**

Please try to keep your performance entry footprints to a maximum area of 24" x 30". Multi-horse (more than 2) hitches may exceed these space requirements when necessary. Entrants are strongly encouraged to keep their setups to well under these size limitations whenever possible. Much like NAN, footing and props are not necessary for Huntseat

Pleasure, Western Pleasure, or Saddle Seat Pleasure classes. Entries should consist only of model, tack, and (optional) rider doll.

Documentation is requested on all entries when necessary (example patterns being shown, the scene being displayed, specific tack permissions, e.g., Junior Horse for an entry in a bosal/snaffle in western pleasure, or to explain gait/movement for a horse not obviously in a walk, trot/jog, canter/lope, or other gait). In simple terms, please define what the horse is required to do, not how well the horse is performing. Performance documentation should be limited to 4" x 6" in size with additional documentation being limited to one 8.5" x 11" sheet. Please do not reference the name of the model, artist, tack maker, prop maker, or the owner in any documentation or reference material.

Full setups are permitted and encouraged in all other performance classes. However, all parts of the setup should be relevant to the performance portrayed (e.g., cattle in stock work, jumps in over fences, or a buffalo in a Native American regalia are appropriate) and fit within the size limits of your entry. Props must not obscure any part of your entry or any other entry. Excessive scenery, animals not involved with the actual entry, etc., should be omitted and please, no backdrops.

First and second place entries per performance classes will be awarded pink NAN Cards. Performance judging criteria includes the following:

- Model is correctly and safely executing a maneuver that is appropriate for the class (includes proper anatomy, biomechanics, and suitability of model for event)
- Tack fit and suitability/correctness for event
- Accuracy of documentation, props (including dolls, if used), and horse in relation to event presented

#### **OTHER PERFORMANCE DIVISION**

701 Diorama/Scene
